ATTACHMENT 1 In reaching your verdict you may consider only the testimony and exhibits received into evidence. Certain things are not evidence, and you may not consider them in deciding what the facts are. I will list them for you. 1. Questions and objections are not evidence. You should not be influenced by the court's ruling on them. 2. Testimony that has been excluded or stricken, or that you have been instructed to disregard, is not evidence and must not be considered. In addition, some testimony and exhibits have been received only for a limited purpose; where I have given a limiting instruction, you must follow it. 3. Anything you may have seen or heard when the court was not in session is not evidence. You are to decide the case solely on the evidence received at the trial. JURY INSTRUCTION NO. __
